

Monday 20th April -Maths

2D Shapes in your home

Task 1: name the shapes below

Task 2: I would like you to explore your home for the following 2D shapes. Can you record 1 or 2 items that are this shape within your home? Some will be trickier than others so maybe you may need to make the shapes using some toys or resources at home.

Good Luck.
