

**St Catherine's Catholic Primary School**  
**Sports Premium Strategy 2017 2018**

At St Catherine's Catholic Primary School PE and Sports has an important role in supporting our pupils to learn to develop the important skills and qualities of resilience, self-discipline, communication, team work and ambition. This we believe will enable our pupils to make positive, productive and healthy lifestyle choices. It will help improve their focus, concentration and attitude to learning and application thus improving attainment.

Our Strategy this year will widen the type of sporting activities offered to our pupils and develop the skills and knowledge of our staff. By introducing a different range of sports into our delivery we aim to raise participation in sports on offer in the local community. As a school we will ensure that all within our community are aware of sporting opportunities available. As a school we will work with our fellow schools in our Sporting Partnership to participation in the range of sporting festivals and compete locally in a various competitions.

In 2017 -2018 financial year we will receive £17,800 - in total £16,000 +£1,800 and an additional £10 for each child on roll.

Total number of children as of 1<sup>st</sup> October 2017 between the ages of 4 -11 years is 180
