## 1. Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the St Catherine's Primary School Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

## 3. Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if he/she has been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those children with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services, subject to government COVID-19 guidance and legislation. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support. Where an identified vulnerable child is not offered, or does not take up an offered place, the school will carry out an individual risk assessment to establish control measures that will be put in place to support the safety and welfare of the child ie daily/twice weekly telephone contact with parents/carers etc

St Catherine's Primary School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Sarah Terrey

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Sarah Terrey will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, St Catherine's Primary School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

St Catherine's Primary School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Where the Social Worker/parent/carer agree that a vulnerable child should be cared for at home, St Catherine's Primary School will record the reasons for the decision, the control measures that have been agreed, and ask for the Social Worker to confirm this in writing/by email.

#### **4. Attendance Monitoring**

During this exceptional partial-school closure period, schools do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

St Catherine's Primary School will complete and return all attendance reporting information required by the DfE, Plymouth CAST, and the Local Authority.

St Catherine's Primary School and social workers will agree with parents/carers whether children in need should be attending school – St Catherine's Primary School will then follow up on any pupil that they were expecting to attend, who does not. St Catherine's Primary School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

St Catherine's Primary School will immediately follow up the absence from school of any child who was due to attend the provision and did not arrive at school.

## **5. How will this Look in Our School?**

To support the above, St Catherine's Primary School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, St Catherine's Primary School will notify their social worker. Where the Social Worker/parent/carer agree that a vulnerable child should be cared for at home, St Catherine's Primary School will record the reasons for the decision, the control measures that have been agreed, and ask for the Social Worker to confirm this in writing/by email.

## **6. Designated Safeguarding Lead**

St Catherine's Primary School has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: Lydia Blake

The Deputy Designated Safeguarding Lead is: Sarah Terrey and Kate Middleton

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site. Where a DSL (or deputy) is not available in person or remotely, the Headteacher/senior leader will contact the Trust Designated Safeguarding Lead who will arrange for DSL cover from another Plymouth CAST school.

This might include updating and managing access to child protection online management system, CPOMS and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all St Catherine's Primary School staff and volunteers have access to a trained DSL (or deputy). Staff who are on-site each day will be made aware of who that person is and how to speak to him/her.

All staff who are working from home and engaged with home-learning with pupils/students will be made aware of who the DSL is and of how to speak with him/her.

The DSL will continue to engage with social workers, and engage remotely with all multi-agency meetings as required.

## **7. Reporting a Concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the event that a member of staff cannot access CPOMS from home, he/she should email the Designated Safeguarding Lead, Headteacher and the Trust Safeguarding Manager. This will ensure that the concern is received. The concern should be recorded on CPOMS as soon as possible.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report the concern immediately to the DSL and headteacher.

Concerns around the Headteacher should be directed to the Chair of Governors: Teresa Sturtivant, and Trust DSL, Kevin Butlin.

All staff working from home and engaging in home-learning with children/students should be reminded of their responsibilities under the school's Safeguarding and Child Protection Policy to report any safeguarding concerns about a child through the normal school processes. Where staff who are working from home have a safeguarding concern about a child, but do not have remote access to CPOMS, they should immediately contact the DSL/Deputy DSL by email and telephone to report their concerns.

The Multi-Academy Trust will continue to offer support in the process of managing allegations.

## **8. Safeguarding Training and Induction**

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL will communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter St Catherine's Primary School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current headteacher confirms in writing/by email that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual
- the individual has undertaken all required Safeguarding training, including reading and understanding Keeping Children Safe in Education Part One

Where this information is unavailable the Trust HR Manager Adelle Pope [adelle.pope@plymouthcast.org.uk](mailto:adelle.pope@plymouthcast.org.uk) DDI: 01752 977680 Mobile: 07590881434 and Trust DSL, Kevin Butlin must be contacted for support.

An employee from another educational establishments must carry his/her staff identification badge from their current employer.

An appropriate person from the receiving school will check the person's identification on arrival.

Upon arrival, staff from other schools will be given a copy of St Catherine's Primary School child protection policy, confirmation of local processes and confirmation of DSL arrangements.

## **9. Safer Recruitment/volunteers and Movement of Staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, St Catherine's Primary School will continue to follow the relevant safer recruitment processes for the setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where St Catherine's Primary School is utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

St Catherine's Primary School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

St Catherine's Primary School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [misconduct.teacher@education.gov.uk](mailto:misconduct.teacher@education.gov.uk)

Whilst acknowledging the challenge of the current national emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, St Catherine's Primary School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

A daily log of staff attending St Catherine's Primary School will be kept

## **10. Online Safety in Schools and Colleges**

St Catherine's Primary School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Pupils must not be permitted to use mobile phones or personal tablets etc within school due to the risk of inappropriate content and use.

The school's E-Safety Policy and Code of Conduct must be followed by all staff, volunteers and children.

### **11. Children and Online Safety Away from School and College**

It is important that all staff who interact with children, including online, continue to look out for signs that a child may be at risk.

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the event that a member of staff cannot access CPOMS from home, he/she should email the Designated Safeguarding Lead, Headteacher and the Trust Safeguarding Manager. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

St Catherine's Primary School Online teaching should follow the same principles as set out in the school's code of conduct.

will ensure that any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- Where possible, the live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including that of any family members in the background.
- Staff must only use platforms provided or authorised by St Catherine's Primary to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held
- Staff should only use school-based email addresses for communicating with children and parents/carers
- School-based pupil/student email addresses should only be used for communicating with pupils/students
- Staff must be 100% confident of the suitability of any online resources that they recommend to or use with children/students.

## **12. Supporting Children not in School**

St Catherine's Primary School is committed to ensuring the safety and wellbeing of all its children and young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, he/she should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on CPOMS, as should a record of any contact they have made.

The communication plans can include; remote contact, email and phone contact. Other individualised contact methods should be considered and recorded. Contact would normally be expected to be made at least twice per week. **It will not be appropriate for school staff to carry out home visits during the coronavirus lockdown.**

Where agreed contact procedures fail to secure contact, the DSL must contact Social Services in the normal way to raise the concern – this should be recorded on CPOMS.

Where Social Services cannot be contacted, the police should be notified of the schools concerns – this should be recorded on CPOMS.

St Catherine's Primary School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

St Catherine's Primary School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at St Catherine's Primary School need to be aware of this in setting expectations of pupils' home-learning.

St Catherine's Primary School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

## **13. Supporting Children in School**

St Catherine's Primary is committed to ensuring the safety and wellbeing of all of its children /students.

St Catherine's Primary will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

St Catherine's Primary School will refer to the Government guidance for Education and Childcare Settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

St Catherine's Primary School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS as necessary.

Where St Catherine's Primary School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – will discuss them immediately with the school's Education Standards Manager Helen Brown (Helen.Brown@plymouthcast.ork.uk) or the Trust's Director of Education, Kevin Butlin.

#### **14. Peer on Peer Abuse**

St Catherine's Primary School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Whilst setting and *marking* on-line home learning, an interacting with children/students online, staff must be cognizant of opportunities for and incidents of peer on peer abuse.

Where the school receives a report of peer on peer abuse, it will follow the principles as set out in part 5 of KCSIE and of those outlined within our school's Child Protection Policy.

Staff will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.

Parents/Social workers will be advised to confirm their confidence with the provision.

In advance of any shared arrangement SCHOOL NAME will produce a *one sheet summary* for each child attending the school's provision. This should include: Home School Name and contact details; name of pupil; home address; parent/carer contact phone numbers; social worker contact details; name and contact details for Home School DSL; medical information (including allergies); any Special Educational Needs information; any specific child protection information. The *one sheet summary* will be provided to the receiving school at the point of transfer; this will be in addition to any local requirements for information from parents of the receiving school

Whilst attending alternative provision, the child will be the responsibility of the Senior Leader and DSL of the host school.

Where a child protection/safeguarding concern is identified/reported for a SCHOOL NAME child attending provision at a different school, the concern will be logged manually locally at the host school, and immediately shared with/reported to the DSL at NAME OF SCHOOL.

The host school's Child Protection/Safeguarding Policy will be followed.

**16. Children from Other Schools attending SCHOOL NAME ( NA at this present time 31<sup>st</sup> March 2020)**
